Walker Information

Our annual AIDS Walk is a fun and fit activity for all ages. The route is 5 Kilometers, please set realistic distance goals based on age and development. Beverages and snacks will be provided. Please visit www.aidstaskforcenh.org for additional information including Individual and Corporate Sponsorship levels, or to make a credit card donation. Pets, baby carriages, and rollerbladers are all welcome. The route is wheel-chair accessible.

Our goal is to help the fundraising committee raise \$10,000 to help fund HIV/AIDS care programs and HIV testing services at The Southern NH HIV/AIDS Task Force. Who is Thomas O. Cash?

Tom was such an integral part of the Southern NH HIV/AIDS Task Force: as a client, an HIV/AIDS advocate and public figure, and as the agency front desk volunteer receptionist, a role that earned him the Task Force's Volunteer of the Year Award in 2006. On September 15, 2007, Tom came out in the pouring rain with his Mom and sister to participate in The Nashua HIV/AIDS Walk. He was in a wheelchair and very ill, but he refused to miss a single opportunity to be with his Task Force family. He died on November 1, 2007 of AIDS related complications and liver failure. In 2008, the Nashua HIV/AIDS Walk was renamed the Thomas O. Cash HIV/AIDS Walk to celebrate his life and his dedication to the Task Force. A quote by Kahlil Gibran best summarizes who Tom was and why the walk-a-thon bears his name: *"There are those who have little and give it all. These are the believers in life and the bounty of life and their coffers are never empty."*
